PROGRAM

22.6. 2024 sobota Sprint

Presentation 12:50 – 14:30, youth only until 13:15

There will be up to 6 competitors in the elimination heats (quarter finals, semi finals, finals). The specific scheme of the heats will be determined only on the basis of registered competitors by 18.6. 2024. The planned heats are attached to the proposals. Please study in detail.

The sprint races will first take place from 13:30 for the youth categories and from approx. 15:15 for the adult categories from Juniors.

Start and starting commands: Start kicking, not running. Competitors prepare at the start line and then start on the following verbal commands Start, or shot, or other distinctive sound. In the qualification is strictly prohibited to ride directly behind another competitor. It is necessary to keep a few meters distance, or immediately overtake. On the other hand, the overtaken must immediately create a gap between them and overtaking. Violation of these rules will result in disqualification.

Competitors choose their starting position in all qualifying heats always based on the qualifying time from the fastest participant to the slowest in the heat.

Approximate timetable::

Block No. 1 (Little children, pupils, cadets)

- **13:30** 800 m Little children – mass one-off sprint race (no elimination heats)
 - **13:40 Block 1 Start qualification** (Interval 20 seconds, get to know the starting list in time!)
 - 800 m pupils
 - 800m cadets
- approx 14:15 start of elimination heats
approx 15:00 results announcement Block 1

Block No.2 o15:00 official training (after the announcement of the winners Block 1.)

- **15:15 Block 2 Start qualification** (Interval 20 seconds), get to know the starting list in time!
 - 800 m - men Juniors + Seniors, Masters, Veterans, Ultraveterans
 - 800 m women Juniors + Seniors, Masters, Veterans, Ultraveterans
- cca 16:00 start of elimination heats
cca 17:30 results announcement Block 2

Start and start commands: Start with a kick (bounce) not a run. Competitors prepare for the starting line at the command "get ready" and start at the following verbal command Start, or a gunshot, or another distinctive sound.

The entire front wheel of the footbike must be behind the starting line.

False start: A false start is a situation where a competitor starts before the start signal/command. Missing the start results in disqualification of the competitor.

Determination of results in the race: Competitors outside the elimination heats will receive the same position in the final order as in the qualification. The order of competitors defeated in the quarter-finals and semi-finals will be determined based on the time they achieved at that level (in the event that no time is measured in the elimination heats in the qualification). The order of the competitors in the final will be determined by their finish. For the combined categories, the results for the announcement of the winners and the ranking of the Rollo League by category will be determined from the overall ranking of their sprint race..

23.6 2024 Long race

Return of numbers + chips after the end of the race, no later than 12:50.

The rule is that as soon as the leading competitor reaches the prescribed number of laps, he becomes the winner and for the others the race ends by crossing the finish line in the same lap as the winner.

Location of start number and chip

Competitors are required to place the **start number** on the handlebars so that it is not twisted. i.e. behind both eyelets for mounting on the handlebars. The placement of the numbers will be checked by the referees, and in the case of wrong placement, there is a risk of disqualification. The number is returned after the races, just like the chip.

Competitors are required to place the **chip** on the front fork of the front wheel of the footbike above the ejector, or on the other hand, the fork from the CC sensor. The placement of the chips will be checked by the referees and in case of wrong placement disqualification from the race. By accepting the chip, the competitor undertakes that if he loses the chip, he will reimburse the organizer on the spot for the damage in the amount of CZK 500!

Starts:

Race starts will be organized in starting rows, the competitor is obliged to obey the instructions of the organizer and respect the instructions given before the start of the race.

The competitors with the best results this season will stand in the first row, the other rows according to the same principle. They all start at once.

When leveling the starting waves, the organizer also takes into account the overall results of the Czech Championship 2023. The organizer reserves the right to determine the number of starting rows and change the number of competitors in one row based on the total number of entries.

The race is held according to the Rules of the Circuit and the Czech Championship (IKSA) Rules for the year 2024. The race is measured electronically via chips.

Competitor under 18 years on the starting day is obliged upon request to submit a written approval of at least one of the legal representatives (parents) for permission to start the race (pattern at the end of this document).

The program can be modified slightly during the event, follow the instructions from moderators and organizers.

The organizer is entitled to adjust the length of individual races or timetable, mainly due to adverse weather conditions. The organizer reserves the right to make changes to the program due to unforeseeable circumstances.
